### **Camping at venue**

Limited camping will be permitted at venue subject to AGA club rules and regulations.

As the shower facility is no longer available inside the club, you will need to make alternative arrangements.

We can arrange to hire a portable toilet for your convenience but in order to recover some of the cost, we will be charging each person camping a \$10 fee for the weekend.

Should you wish to take up the camping option, booking your place is essential as if no bookings are received we will not proceed with the hire.
